

LEADERSHIP POLICY

04/10/2024

“Only by providing outstanding service and quality work will we achieve our aims of long-term success and sustained improvements.”

TRP Laboratories is committed in giving our customers the highest quality testing solutions by demonstrating leadership through:

- Creating effective teams to deliver the highest quality work to our customers.
- Ensuring our policies and procedures are upheld by our employees.
- Communicating effectively to our customers and employees.
- Motivating employees to succeed and providing development opportunities.
- Encouraging and supporting employee ideas.
- Adapting to changes in the automotive sector, other industrial segments, and within our organization.
